**NATIONAL POTATO COUNCIL OF  
KENYA REGISTRATION & ANNUAL  
SUBSCRIPTION FEES**

The National Potato Council of Kenya is a multi-stakeholder organization whose membership is drawn from actors and players in potato industry. The Council is charged with the responsibility of helping in planning, organizing and coordinating activities of the value chains in the potato subsector and developing it into a robust, competitive and self-regulating industry. Its organizational structure enables it to draw synergies from a wide membership representing all stakeholders and actor in the industry.
